RE: Donation

Dear Gareth:

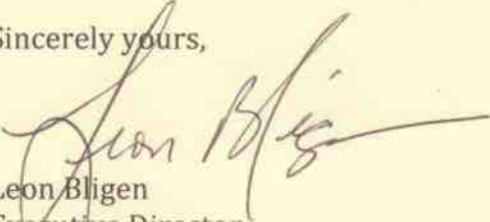

Good day. On behalf of The Dennis Bligen Kidney Foundation, Inc., we present the National Kidney Registry (NKR) with a check of \$5,000 for its ongoing commitment to saving lives through the *Paired Exchange Program*.

Through the Grace of God and NKR's *Paired Exchange Program*, our brother Dennis Bligen's life was saved. Dennis' long-time friend, Jill Christensen, donated her kidney but it wasn't a match for Dennis. Instead of giving up, she continued the process through *Paired Exchange* and Dennis was able to receive someone else's kidney which was a match.

We humbly thank you for your awesome organization and this check is a small token of the DBKF paying it forward. We look forward to working with you in the future as the DBKF continues its mission to educate the public about chronic kidney disease, as well as transplant options such as the *Paired Exchange Program*.

Please feel free to call upon us at any time. Thank you again.

Sincerely yours,

  
Leon Bligen  
Executive Director
